

FCI World Dog Show samt Circuit utställning "Giant Schnauzer Show" i Sverige 2008.

Resultat sammanställt av Brith Andersson.

I juli 2008 genomfördes FCI World Dog Show/WDS i Sverige, på Stockholmsmässan i Älvsjö, med Svenska Kennelklubben som arrangör. I anslutning till WDS erbjöds rasklubbar att arrangera en egen rasspecial vid en Circuit på Almare Stäket, Vilket dåvarande AfRS (idag SRSK) hörsammade och arrangerade utställningen "Giant Schnauzer Show". Vilket då gav möjlighet att delta vid två utställningar.

World Dog Show genomfördes enligt FCIs särskilda regler för WDS, innebar bl a att enbart BIR utsågs och att Cert delades ut i fler klasser.

Circuit utställningarna genomfördes enligt samma regler som WDS, men med tillägg att klubbarna hade möjlighet att dela ut BIM.

Valpklass arrangerades inte vid någon av utställningarna, utan enbart de officiella klasserna.
